

Hello My Friends

A new tradition is happening at Moberly Area Community College. Baseball is starting for the 2022 and 2023 seasons. Excitement is an understatement for bringing new student-athletes to our community. We couldn't more thrilled to bring baseball to Moberly and able to compete in the tough Region 16.

As you can imagine, we are busy gearing up for MACC Baseball in 2022-2023. Our ultimate goal is to give our student-athletes the best possible collegiate experience they can have. We want them to carry themselves with pride. We want them to present themselves in a first-class manner and always uphold the tradition of success that MACC has established over the years.

We understand that families and businesses have been negatively affected by the pandemic, but getting back to a more normal life we are humbly asking for your support of our new baseball program. With your support we will be able to provide a first-class atmosphere for the student-athletes – apparel, training equipment, travel, meals, uniforms, etc. Donations are tax deductible to the extent of the law, minus the fair market value of items received.

From our administration to our coaching staff, and more importantly, our student-athletes, we fully recognize that the many things we will do for our programs will come from your assistance. We in Greyhound Nation understand that you have numerous choices regarding where your donation dollars go. With that in mind, we hope you will consider us a viable option. We would love to have you as a member of our Greyhound Baseball Family and we appreciate your consideration.

Thank You and GO GREYHOUNDS

Coach Fletcher
