

Hello My Friends,

A new tradition is starting here at Moberly Area Community College. Softball is starting for the 2022-2023 season. Excitement is an understatement for bringing new student-athletes to our community. We couldn't be more thrilled to bring softball to Moberly and compete in the challenging MCCAC and NJCAA Region XVI.

As you can imagine, we are very busy gearing up for MACC Softball in 2022-2023. Our ultimate goal is to give our student-athletes the best possible collegiate experience they can have. We want them to carry themselves with pride. We want them to present themselves in a first-class manner, and we want to always uphold the tradition of success that MACC has established over the years.

We understand that families and businesses have been negatively affected by the pandemic. As we transition back to a more normal life, we humbly ask for your support for our new softball program. With your support, we will provide a first-class atmosphere for the student-athletes, apparel, training equipment, travel, technology, and team building opportunities. Donations are tax-deductible to the extent of the law, minus the fair market value of items received.

From our administration to our coaching staff and, more importantly, to our student-athletes, we fully recognize that the many things we will do for our programs will come from your assistance. We in Greyhound Nation understand that you have numerous choices regarding where your donation dollars go. We hope that you will look at us as a viable option with that in mind. We would love to have you as part of our Greyhound Family, and we appreciate your consideration.

THANK YOU AND GO GREYHOUNDS!
